

MEMBERSHIP TRANSFERS - For those of you who have applied for membership transfers and are wondering why they have not arrived, please allow us to explain the process to you. When our church clerk receives your request, she sends the information to the conference office. The conference sends the request to your former church. At their next board meeting, your former church will make a recommendation to the congregation to approve your request. After two readings, your former church will take a vote to approve your transfer. They then send the recommended transfer to our conference office and they, in turn, forward it back to our church clerk. With the corona virus situation, your former church may or may not have a board meeting every month. You can contact the church clerk of your former church to ask if they have transferred your membership yet and, if not, how long you may expect to wait. Without the corona virus limitations, this process can still take 3-4 months. When we receive your transfer from the conference office, your name is presented to the next Church Board meeting which is generally held on the third Monday of every month. Your membership is then placed in the next church bulletin for two readings. After the second reading, a vote is taken and you are officially a member of our church. If you have any questions, please call Joni Brought at 423-472-6231.
