PARENTS: Relax! God put the wiggles in children; don't feel you have to suppress it in God's house. Raising our children is a most important and challenging ministry given by God. Might we suggest sitting toward the front where it's easier for your little one to see and hear. Take time to quietly explain the parts of the service and invite them to participate. If you feel you must leave the service with your child, feel free to do so, but please come back! Jesus said, "Let the children come to me." We are grateful you and your little ones are here.

The offering next week is for the Local Church Budget.
